A Message from Your Pastor

Welcome to our new Spiritualist Center. The Spiritualist message is one of life eternal and continuity of love between souls here and in the hereafter. It also is a religion and philosophy of life that is very inclusive and welcoming. Our connection to all living things and the nature that surrounds us holds lessons for each of us in this life. Above all, as the second principle states, we have a "Brotherhood and Sisterhood of Humanity." As spiritually alive individuals with a deep commitment to God, may we not forget our commitment to small acts of kindness and service to one another. We as Spiritualists are confident that there is no death and there are no dead; we move onto a greater, new experience of life. As we begin this new center's program we envision growth each year, to include more courses and retreats. We are also confident the weekly events of the church will grow as a local group of volunteers and workers evolves. Please send in your ideas and talents to be part of The Journey Within North. As we restore the Schoolhouse on Parker Road in Arcadia watch for details of that program as well. You are loved, never forget.

Blessings, Rev. Janet
